

Dear Families

### School Voluntary Contributions and Charges 2025

We endeavour to create a dynamic engaging learning environment for every student. To reach this goal we plan for excursions and incursions. The information below may assist families with budgeting for 2025.

After meeting with the School Board we have set the Voluntary Contributions at \$40.00 per student for years PP-Yr 6, Kindergarten will be \$20.00.

Money collected will be used to supplement school expenditure in the areas listed below. The actual costs per child are shown in the table. While contributions are voluntary, the quality of our teaching and learning program will be maximised when each family makes its contribution to the cost of supplementing funding gained from other sources, including the State and Commonwealth Governments.

|  |                |
|--|----------------|
| Library Book Supplement  | \$10.00        |
| Talk for Writing Resources, Concrete materials for Maths, Art Supplies, Science Resources, I-Pad Apps, Exercise books, | \$30.00        |
| <b>Total Contribution Per Student</b>  | <b>\$40.00</b> |

Payments can be made at the office by Eftpos and cash. If there is an overpayment it will be added to the students unallocated credit for future activities.

**The schedule below is just a guide only. You are able to pay all or any amount in advance. Due to the increase in fuel prices, bus charges have risen.**

Students will only incur costs when they are invited to a particular activity.
